MRS. LYON'S ACHES AND PAINS

Have All Gone Since Taking
Lydia E. Pinkham's Veg-
etable Compound.

Terre Hill, Pa. "Kindly permit me
to give you my testimonial in favor of
Lydia E. Pinkham's
Vegetable Compound. When I first
began taking it I
was suffering from
female troubles for
some time and had
almost all kinds of
aches—pains in low-
er part of back and
in sides, and press-
ing down pains. I
could not sleep and
had no appetite. Since I have taken
Lydia E. Pinkham's Vegetable Com-
pound the aches and pains are all gone
and I feel like a new woman. I cannot
praise your medicine too highly."—Mrs.
AUGUSTUS LYON, Terre Hill, Pa.

It is true that nature and a woman's
work has produced the grandest remedy
for woman's ills that the world has
ever known. From the roots and
herbs of the field, Lydia E. Pinkham,
forty years ago, gave to womankind
a remedy for their peculiar ills which
has proved more efficacious than any
other combination of drugs ever com-
pounded, and today Lydia E. Pinkham's
Vegetable Compound is recognized
from coast to coast as the standard
remedy for woman's ills.

In the Pinkham Laboratory at Lynn,
Mass., are files containing hundreds of
thousands of letters from women seek-
ing health—many of them openly state
over their own signatures that they have
regained their health by taking Lydia
E. Pinkham's Vegetable Compound;
and in some cases that it has saved them
from surgical operations.

FT. SHAFTER SOCIETY

[Special Star-Bulletin Correspondence]

PORT SHAFTER, June 13.—Mrs.
Marcus D. Cronin, wife of Major Cronin,
24th Infantry, with station in the
Philippine Islands, was a guest of
Colonel and Mrs. Benjamin Walker
Atkinson during the day and over-
night while the transport was in port.
Last Saturday, Mrs. Cronin was en-
route for an extended visit with her
parents, Colonel and Mrs. J. W. Han-
nan, whose residence is in Southern
California, where Colonel Hannan has
lived since his retirement some years
ago.

A pleasant little reunion of some of
the ladies of the 2d Infantry was the
meeting at Tait's in San Francisco of
Mrs. Franklin P. Jackson, Mrs. Er-
nest V. Smith and Mrs. Peter E. Mar-
quart on a recent afternoon, where all
had come for tea. With Mrs. Marquart
were Mrs. Herndon Sharp and Mrs.
Mitchell, Mrs. Clement H. Wright's
sister, who is well known in the reg-
iment. Mrs. Marquart, so long in the
2d, now has quarters at the Presidio
while Major Marquart's regiment, the
12th Infantry, is absent on the border
of Mexico and has had Mrs. Sharp
with her as a guest for a time. Mrs.
Mitchell's husband is also in the 12th
and has permanent station at the
Presidio.

Mrs. Ernest V. Smith and her
daughter left San Francisco on the
5th for the East, where they will be
absent on a round of visits until the
end of the summer, returning to Cal-
ifornia in time for the opening of the
Castilleja school, where the daughter
has been at school for the past two
years. They will make a stop at the
Grand Canyon on their way East and
then go on to Kansas City for a brief
stay, and while there expect to run
up to Fort Leavenworth and visit
Mrs. Geo. E. Kump for a few days,
afterwards continuing their journey to
Mrs. Smith's brother's country
place in Northern Alabama, where the
remainder of the summer will be
spent.

Cot. Francis H. French visited Maj.
Williams' battalion in camp on Thurs-
day and accompanied a part of the
command on an extended trip up the
slopes of the Koolau range in one of
the numerous trips of terrain study.
After his return to camp on Thursday
evening Colonel French was seized
with a form of indigestion and
was quite sick until after his
return to the post on Friday. He
came in in General Edwards' car and
was sent on to Shafter at once,
where he obtained relief and is now
fortunately quite recovered from his
indisposition.

The garrison hop on Friday evening
was fairly well attended. About 40
guests and members of the garrison
were in attendance. Those seen from
without the post were Lieutenant and
Mrs. Swan from Fort Ruger, Dr. and
Mrs. A. P. Matthews and Miss Mc-
Stocker, Miss Elizabeth Hughes and
Lieutenant Cook, commanding the
mine planter Armistead. The hops
are delightfully informal and as they
close at 11:30, form a very delightful
way of spending an evening for the
garrison people and their friends.

Captain and Mrs. Paul B. Malone of
the 2d Infantry celebrated the 20th
anniversary of their wedding on the
12th. For the occasion Captain Ma-
lone came in from the field where his
company now is and returned to his
camp on Saturday. Capt. and Mrs.
Malone are anxiously awaiting the ar-
rival of their daughter, Miss Gertrude
Malone, who comes for a vacation visit
from Vassar by the transport due Sun-
day morning.

Cot. and Mrs. Francis H. French
gave a dinner preceding the hop last
night. Their guests were Capt. and
Mrs. W. T. Hannum, Lieut. and Mrs. L.
O. Mathews, Lieut. and Mrs. Frederick
F. Black and Lieut. and Mrs. F. A.
Cooke. Unfortunately Colonel French's
indisposition prevented the host and
hostess from accompanying their din-
ner guests to the hop.

Mrs. B. H. Watkins, Mrs. H. N. Pres-
ton and Mrs. J. C. Kay of the garri-
son spent Friday at the camp of the
3rd battalion of the 2d Infantry near
Lucas' ranch. They went and re-
turned from the camp as guests of
Miss Helen Alexander in her motor.

Maj. E. V. Smith and Lieut. W. C.
Rose attended the dinner and smoker
of the Pacific Club in Honolulu on
Wednesday evening. Major Smith
was the guest of Lieut. F. P. Jackson
and Lieutenant Rose that of Paymas-
ter Willets of the navy.

Lieut. and Mrs. Ira Longenecker, 2d
Infantry, entertained informally at
dinner on Thursday evening. Their
guests were several of the "camp
widows" and included Mrs. B. H. Wat-
kins, Mrs. J. C. Kay and Mrs. Homer
N. Preston.

The Wednesday evening bridge club
of the post met with Capt. and Mrs.
J. C. Kay, 2d Infantry, this past week.

SCHOFIELD SOCIETY

[Special Star-Bulletin Correspondence]

SCHOFIELD BARRACKS, June 11.
—On Tuesday of last week, Captain
and Mrs. Deems were hosts at a de-
lightful dinner given for Colonel and
Mrs. Sturgis and Captain and Mrs.
Apple. The table color scheme of
white and green was attractively car-
ried out in the candle shades and
dainty white flowers that formed the
centerpiece.

Captain and Mrs. Mason, on Friday,
gave a "despedida" dinner in honor of
Mrs. Apple, who was among those
sailing for home on the Sheridan Sun-
day morning. Miss Ellis, Lieut. Bow-
ley, Captain Apple and Capt. and Mrs.
Mason completed the party.

The Haleiwa hotel was the scene
of another moonlight dance given for
the service people. These are always
greatly enjoyed, and well attended by
the Schofield people. As usual there
were some dinners given at the hotel
early in the evening. Captain and
Mrs. Fair were hosts at one very at-
tractive one of 35 covers. Two tables
set on the lanai placed the com-
pany, the decoration on one a long
bank of vivid red hibiscus with its ac-
companying green leaves, while on the
other a centerpiece of yellow co-
ropeas lent the true cavalry atmos-
phere. The guests were Colonel Mc-
Gunnegle, Colonel and Mrs. Kennon,
Colonel and Mrs. Beach, Captain and
Mrs. O'Shea, Miss Holcomb, Capt. and
Mrs. Coleman, Captain and Mrs. Hop-
kins, Captain and Mrs. Short, Captain
and Mrs. Parker, Captain and Mrs.
Chitty, Captain and Mrs. Holbrook,
Captain and Mrs. Winans, Capt. and
Mrs. Fechet, Captain and Mrs. King,
Major and Mrs. Harrison, Lieut. and
Mrs. Cheney, and Lieut. and Mrs. Gar-
denhire.

Miss Hortense Short, whose birth-
day occurred on Saturday, enjoyed a
delightful surprise at Haleiwa when a
party of young friends announced to
her that they had been invited to her
"birthday party." Mrs. Short origi-
nated the idea and succeeded in keeping
the secret until the party had gathered
and the table been revealed. A beautiful
birthday cake, wreathed with
garlands of perfect little pink candy
roses, formed the centerpiece of the
round table. A dozen silver candle-
sticks with dainty pink shades, with
quantities of the lovely pink hibiscus,
which was scattered over the cloth,
characterized the dinner with the
color most appropriate to youth and
girlhood. The merry party included
Miss Hortense Short, Miss Katherine
Whitman, Miss Ruth Harrison, Miss
Betty Case, Miss Helen Alexander,
Miss Yates and Miss Smith and Lieut.
Ellis, McCulloch, Campanole, Enyart,
Maxwell and Dr. Kennedy and Dr.
Johnson.

Miss Charlotte Reichmann was the
complimented guest at the auction
party given by Mrs. Hunt Wednesday
afternoon. Those playing were Miss
Reichmann, Mesdames Gose, Mapes,
Reichmann, Willard, Naylor, McAfee,
Beard, King, Nicholls, Hunt, and Miss
Pratt. Dainty Japanese salad bowls
were the prizes. A bouquet of lovely
roses was presented to Miss Reich-
mann at the close of the afternoon.

Thursday afternoon an informal lit-
tle party of four enjoyed a beach pic-
nic and swim at Haleiwa. The Misses
Hopkins and Ellis, Lieutenant Doshon
and Dr. Kennedy composed the party.

Lieut. and Mrs. Donaldson entertain-
ed at dinner Friday last for Colonel
and Mrs. Beach, Captain and Mrs.
O'Shea and Miss Holcomb.

TO PUT ON FLESH AND INCREASE WEIGHT

A Physician's Advice.

Most thin people eat from four to
six pounds of good solid fat-making
food every day and still do not in-
crease in weight one ounce, while on
the other hand many of the plump,
chunky folks eat very lightly and keep
gaining all the time. It's all bosh to
say that this is the nature of the in-
dividual. It isn't Nature's way at all.

Thin folks stay thin because their
powers of assimilation are defective.
They absorb just enough of the food
their eat to maintain life and a sem-
blance of health and strength. Stuf-
fing won't help them. A dozen meals
a day won't make them gain a single
"stay there" pound. All the fat pro-
ducing elements of their food just stay
in the intestines until they pass from
the body as waste. What such people
need is something that will prepare
these fatty food elements so that
their blood can absorb them and de-
posit them all about the body—some-
thing, too, that will multiply their
red blood corpuscles and increase
their blood's carrying power.

For such a condition I always re-
commend eating a Sargol tablet with
every meal. Sargol is not, as some
believe, a patented drug, but is a sci-
entific combination of six of the most
effective and powerful flesh building
elements known to chemistry. It is
absolutely harmless, yet wonderfully
effective and a single tablet eaten
with each meal often has the effect
of increasing the weight of a thin
man or woman from three to five
pounds a week.

FLAG DAY WILL BE OBSERVED BY HONOLULU ELKS

Anniversary of Adoption of
Standard Will be Commem-
orated With Program

In observance of the anniversary of
the adoption of the flag the grand
lodge of Elks has ordered every lodge
to observe the day and Honolulu
Lodge, No. 616, B. P. O. E., has ar-
ranged an interesting program to be
given at the opera house at 3:30 P. M.
Sunday, June 14, 1914. The public is
cordially invited and, with the excep-
tion of a few officials, there have been
no written invitations issued.

The history of the American flag
began with the landing of the May-
flower in 1620. The first colonial flag
was known as the "king's colors,"
combining the red and white crosses
of England and Scotland upon an in-
ner field of blue. In 1797 the colon-
ists selected a red flag as their ensign
having in the upper corner the green
symbol of a pine tree on a white field.
This banner was in popular favor for
many years and is thought to have
been carried by the Americans in the
battle of Bunker Hill.

In response to the demand for a
banner more representative of the
aims and ideals of the new country,
on June 14, 1777, 137 years ago, Con-
gress declared the national flag to be
13 stripes, seven red and six white,
with 13 stars in a circle on a blue
field. George Washington, acting as
committee man, submitted the design
of the flag to Betsy Ross and it was
upon her suggestion that the stars
were made of five points as in France
instead of six points as in England.

HEAVY SILK HOSIERY "LOADED"

To get the best wear out of silk
stockings, they should be put right on
and worn, not laid away for any length
of time, according to the expert ad-
vice given by a buyer of hosiery in
one of the large stores. When ques-
tioned in regard to this statement, he
said that much of the silk hosiery on
the market is "loaded," as it is called,
with dye which makes it appear as a
heavier silk and the goods are taken
more readily by the customers, but
the dye rots the silk if laid away.

Experts know that a pure silk stock-
ing is very thin, but an inexperienced
person thinks there is not enough silk
in it to make it wear well, when the
fact is that it will outwear the stock-
ing which is made of the same amount
of silk but is "loaded." Making of
this adulterated hosiery appears to be
the fault neither of the buyers nor of
the manufacturers, but of the custom-
ers who think they will be purchas-
ing a better article if it is heavier,
and this is the best process which has
been discovered for supplying the
weight demanded.

Some pure silk hosiery is sold, but
not in such large quantities as the
grade that has been made heavier by
adulteration.

Black dye is said to be particularly
injurious to fabrics and it is a well-
known fact that black gloves should
not be laid next to white or colored
gloves because of the injury which
may be done by the black dye.

Nature never discounts the debt we
owe.
